

World of Cultures Speakers Bureau

The city of Bloomington is a place that is rich with diversity. Many of us came from different places and in some cases very far while others are children of immigrants, but were born in this country. We want to share our knowledge, experience, our customs and traditions.

Would you like to participate in the Speakers Bureau? It's very easy—all you have to do is call. ¿Would you like to share about your beautiful country, your language, the people and the history? Or share your travels as a tourist? Sign up with us and let us know your availability y we wil find a place where you can talk about the wonderful place you call home or that your parents call home.

Call or write us at (812) 349.3465
or sotod@bloomington.in.gov.
